德国马牌全新一代商用货车轮胎拥有超卓表现。

创新科技以及适用的轮胎设计，全面适合任何环境。货运成本受不同的路面情况影响，包括长途的沥清路、近距离运输所带来的转向以及短途运输对轮胎造成的损害。只要您提出要求，德国马牌轮胎就一定能为您提供最佳的成本节约方案。

省钱看得见！

Continental signals performance with its new generation of truck tyres. Innovative technology, optimum tyre design, full service for every job. Haulage orders are, after all, complex in their variety: Long haulage on best asphalt, regional traffic with numerous cornering maneuvers, local distance transport with a high risk of damage to tyres. Set the task and Continental will come up with the most cost-effective solution.

Something you can translate into hard cash.
